SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

FC 2003-094496

01/14/2004

The Court notes Father did not respond to the Petition; Father failed to appear for Conciliation Services. Father failed to appear for this hearing though he has been served and has notice of the proceedings pending today. Father has given an excuse that he is unable to get off work, however, Father and Mother work for the same employer and because he had Court Orders to appear, he could have appeared today.

The Court has considered A.R.S. § 25-403.

THE COURT FINDS the parties are the parents of Arabella Marie Moore born July 19, 2003. Paternity was established by acknowledgement on July 25, 2003.

THE COURT FURTHER FINDS it is in the best interest of the minor child to award Mother sole custody. Father has exercised minimal and infrequent access to the minor child. Mother is the primary caregiver of the minor child.

IT IS ORDERED awarding Mother sole custody of the minor child, Arabella Marie Moore born July 19, 2003.

THE COURT FURTHER FINDS the minor child is very young at this time, six months of age, and until Father demonstrates that he is interested in parenting the minor child, the Court will Order supervised parenting time. Therefore,

IT IS FURTHER ORDERED Father shall have supervised parenting time with the minor child at Mother's discretion. Father's parenting time shall be supervised by Mother.

IT IS FURTHER ORDERED affirming the Order of the Court with respect to the Expedited Services conference of November 28, 2003, Ordered on December 3, 2003, which set child support at \$456.14 plus \$2.25 handling fee for a total of \$458.39 by Order of Assignment.

IT IS FURTHER ORDERED dismissing Mother's Objection to the Expedited Services Report because the issue of child care expenses is premature.

9:39 a.m. Hearing concludes.
